Professional Summary

Versatile Technology Professional with expertise in software development, databases and system integration. Skilled in Java, Spring Boot, React and Database Management, with proven ability to optimize performance, troubleshoot issues and deliver solutions in Agile environments. Passionate about leveraging technology to improve efficiency and drive business success.

Skills

- Backend Development: Java , Spring Boot (Microservices, REST APIs), Oracle, SQL
- Frontend Development: ReactJS, JavaScript (ES6+), HTML5, CSS3
- Version Control & Collaboration: Git, GitHub, Agile/Scrum, Code Reviews
- IT Support & Troubleshooting (Hardware, Software, Networks)
- Operating Systems: Windows, Linux
- Database Management: SQL, Oracle, MySQL
- Documentation & Reporting
- Soft Skills: Problem-Solving, Analytical Thinking, Communication, Team Collaboration, Adaptability, Task & Time Management

Work Experience

Afrosoft Holdings	Software Developer intern	08/2023 - 08/2024
<ul style="list-style-type: none">• Responsible for the development and maintenance of enterprise-scale applications, contributing to both backend (Java, Spring Boot) and frontend (ReactJS) systems.• Collaborated with senior developers on the design and implementation of Spring Boot microservices, improving scalability and modularity of core systems.• Developed and optimized RESTful APIs to integrate 3+ enterprise databases, enhancing data querying and mapping efficiency by 25% and reducing response time by 200ms on average.• Improved backend performance by optimizing database queries and applying clean code practices, enhancing system responsiveness.• Contributed to Agile project management, actively participating in 6+ sprints, helping deliver features on time and boosting team velocity by 10%.		

Education

University of Zimbabwe	Bsc Honours Degree in Software Engineering	9/1/2021 - 6/30/2025
Upper Second Class Degree		
St Faiths High School	Advanced Level	2/1/2019 - 11/30/2020
4 A levels: Mathematics A , Computer science A, Physics D, Statistics C		

14 O Levels: Mathematics(A); Physics(A); chemistry(A); Computer Science(A); English Language(B); Combined Science(A); Heritage Studies(A); Shona Language(A); History(A); Economics(A); Principles of Accounting(A); Statistics(A); Agriculture(B); Biology(B)

Certifications

Introduction to Data Engineering and Big Data

GUVI Geek Networks

01/2024 - 12/2024

Certificate of Completion

Information and Communication Technology Fundamentals

HEXCO

01/2017 - 10/2017

Passed with Distinction

Computer Operations and Packages

HEXCO

01/2017 - 10/2018

Passed with Distinction

Interest

- Sports & Fitness
- Graphic Design & Creative Media
- Reading Tech Blogs, Books & Industry News
